Main activity	10 min	After the game, the teacher asks questions about travel and means of transportation and chats with the children. "What do you think a means of transport is?, What are means of transport for?, Which means of transport do you know? Do you think means of transport are important? Why?" After questions such as, children are encouraged to learn the English meaning of vehicles. They watch the video together. The video is watched by pausing and rewinding if necessary. https://www.youtube.com/watch?v=biX7NNxw_w8
	10 min	After the video, children are asked questions such as how do you come to school, how do you get home from school. You may be asked which means of transportation they use most. Then it is announced that they will all learn a song together and the video opens. https://www.youtube.com/watch?v=rGzllUxvekw
	20 min	The link below opens after the song. The children are told that a game will be played while they are doing the coloring activity today. Children receive coloring pages and paints of the means of transport they want to paint. The teacher turns the wheel. According to the colors (the teacher expresses the color both in mother tongue and in English), children start to paint. In between, the activity is stopped and the wheel is turned again. https://wordwall.net/resource/58497216/paint-the-means-of-transport
Assessment	5 min	Children's pictures are examined. Everyone says the name of the means of transport they painted in English. The names of all recently learned vehicles are repeated together.

Conclusions and recommendations

Be sure to involve children in a variety of activities to help them internalize the concepts. Thus, you can engage children in:

- *games
- *songs
- *paintings

- Children should not be forced to participate in activities. Especially when they are shy while learning English, they can do group activities so that they can express themselves more easily.
