Lesson Outline		
Phase of the lesson	Duration	Description
Warm-up	5 min	The teacher asks the children various questions about sports: “What is sport? What does sport do? Is sports helpful? Do you like doing sports? Do you think we should exercise every day?” After the

		<p>conversation, sports are done with the children with the help of the video below.</p> <p>https://www.youtube.com/watch?v=-y5yuLuw7KQ</p>
Main activity	15 min	<p>This event requires preliminary preparation. A working paper is sent to the families the day before. In this study, it is explained that they should help the children. Children participate in the lesson having done the following worksheets..</p> <p>https://learnenglishkids.britishcouncil.org/sites/kids/files/attachm ent/flashcards-sports-bw.pdf</p> <p>Everyone briefly shows their work and briefly explains the sport they like the most and why.</p>
	10 min	<p>After this work, the teacher teaches the names of sports from the video below to the children.</p> <p>https://www.youtube.com/watch?v=yZUeOF1Uak8</p>
	15 min	<p>The teacher tells the children that they will create a story together. A story cube was created from the first page of the outline below. The story cube is rounded. A start is made about which sport the person who comes to the dice likes and this can be turned into a story.</p> <p>https://cms-tc.pbskids.org/parents/Story-Cube-Activity-min-1.pdf</p>
Assessment	5 min	<p>The teacher asks the children what activities they like the most in this lesson. It is done over and over again about what their favorite sports are.</p>

Conclusions and recommendations

<p>Be sure to involve children in a variety of activities to help them internalize the concepts. Diversifying activities can help us focus more comfortably.</p>	<ul style="list-style-type: none"> ● You can involve families in the activities while doing these activities. For example; They can do sports as a family.
