

Brief introduction of the topic of the lesson plan. Raise your attention. Title of the lesson plan.

Summary	
Object/discipline	Environmental education
Theme	The secrets of the universe.... And what's up there?
Age range	3,4,5 years
Main topic	A story/rhyme/discussion/song on the topic Reading/watching The Solar System “Discovering the Planets with Blippi” Construction of the wheel of the days of the week.
Key concepts	<ul style="list-style-type: none">● Reworking of the story● Construction of the wheel of the days of the week● Shape, size, color● Listening and Understanding

training objectives	
<ul style="list-style-type: none">● Language acquisitions related to the topic● Listening and understanding the story● Reworking of the story● Answer stimulus questions related to the topic● Stimulate curiosity	<ul style="list-style-type: none">● Know the existence of celestial bodies● Memorize some planet names● Compare celestial bodies with each other in terms of size, shape and color● Name and Discriminate primary colors● Practice manual dexterity and controlled use of

	scissors
--	----------

Necessary equipment/materials

<ul style="list-style-type: none"> ● Laptop computer ● Internet connection ● Consumable materials (cardboard, white paper, markers, pencils, glue, sample holder, scissors) 	<ul style="list-style-type: none"> ● https://youtube.com/watch?v=sBCMlpw4pXw&feature=shared ● https://youtu.be/nD4KuTc7Kqc?si=KE9TJB0nWTcybBM1 ● https://youtu.be/sXorgBKB2fs?si=VIKSdJdnn-yoswLx ● https://youtu.be/mEa0nMI1xjs?si=eCNc9MsZWgzt3-9L

Lesson outline

Lesson phase	Duration	Description
Heating	15 minutes	Reading and viewing the video The Solar System “Discovering Planets with Blippi” https://youtube.com/watch?v=sBCMlpw4pXw&feature=shared
	10 minutes	Stimulus questions related to the story Who is the protagonist of the journey? What is the name of the friend who accompanies him? Where are they going and what do they want to find out? Invite the children to listen to and learn the song “The Planets” Video https://youtu.be/sXorgBKB2fs?si=VIKSdJdnn-yoswLx
Principal	10 minutes	Listening and watching the nursery rhyme "The Planets" from YouTube https://youtu.be/nD4KuTc7Kqc?si=KE9TJB0nWTcybBM1

activity		Invite the children to listen to the nursery rhyme and repeat some of the names of the planets they heard. Ask the children what the name of the planet they live on is called.
	30/40 minutes	Invite the children to build with the help of a YouTube video "The wheel of the days of the week" using easy-to-use materials. Video https://youtu.be/mEa0nMI1xjs?si=eCNc9MsZWgzt3-9 L
	5 minutes	Ask the children if they know the names of the Planets. And what is your favorite planet? Ask them to find an object of the same color in class.
Assessment	10 minutes	Ask the children to summarize the story.

Conclusions and Recommendations

● Encourage children to ask questions about the story	Ask the children how many planets are there? Are they all the same size? What is the name of the red planet?
