<ul style="list-style-type: none">Health and safetySelf Protection	<ul style="list-style-type: none">TimeDaily activities.

Equipment/material needed	
<ul style="list-style-type: none">Laptop or desktop computer with mouse.Internet connection	<ul style="list-style-type: none">Animaker

Lesson Outline		
Phase of the lesson	Duration	Description
Warm-up	10 min	Watch a video like this: https://www.youtube.com/watch?v=4XLQpRI_wOQ

		Talk about it.
Main activity	10	Present de activity watching this video: https://www.youtube.com/watch?v=ktnA46JCb3o Is made with animaker and talks about healthy routines.
	30	Do a brainstorm in class about creating a new video in animaker. Talk about the themes and characters and write a brief script by the teacher with children's ideas.
	30	Extract the song from the first video or another and create in class the video with the collaboration of children.
Assessment	5	Talk about order of daily routines.
	5	Show the video to the rest of school and talk about it

Conclusions and recommendations

- Using animation with music gets the attention of children and involves the story telling. It promotes critical thinking as the story we present asks a question about what activity is healthier.
- Animaker is a good opportunity to encourage children to create their own multimedia contents.

The material is developed within the Erasmus+ project *PreEdTech - Improving the Pedagogical and ICT skills of Pre-School Teachers and Educators in the Digital Era*, Grant agreement number: 2021-1-RO01-KA220-SCH-000027894.
