Lesson Outline		
Phase of the lesson	Duration	Description
Warm-up	10 min	https://youtu.be/d0ySC2tzlZI The teacher first shows the children to watch the video above. Which means of transportation do you use that you see in the video? Are there any tools you don't use? Which means of transportation would you most like to take? Why?
Main activity	10 min	The teacher has the children play the card game he has prepared about the means of transportation. The children, in turn, name which vehicle the image on the opened card is. https://wordwall.net/tr/resource/58560608 After this card game, the Teacher opens the game again. Incoming vehicles are opened sequentially. Ask the children to look at the opened card. They are asked to find and collect the vehicle similar to the vehicle on the card among the toys.
	15 min	After the card game, the children show the toys they have collected to the teacher. The teacher chooses among them. Toys are stacked side by side. Then everyone closes their eyes except the person playing the game. A toy is taken out of them and the children try to find out which toy has been removed. Each child can play the game in turn.
	10 min	The teacher has the children watch the video below to reinforce the subject. https://youtu.be/SWSbejC47hk
Assessment	5 min	The teacher talks to the children about the means of transportation. The teacher usually asks the children which means of transport they use. So, which means of transportation do you like to travel with the most? Why? Which of these means of transport is the fastest?

Conclusions and recommendations	
<ul style="list-style-type: none"> Take care of children's interest and level. 	<ul style="list-style-type: none"> Make sure to give every child a voice. Make sure they have fun in the process.
