Lesson Outline		
Phase of the lesson	Duration	Description
Warm-up	10 m	Watch this video or similar: https://www.youtube.com/watch?v=5EnPKvUSUEs
	10 m	Talk about hygiene, health and safety
Main activity	10 m	Introduction on the activity. They will do a comic and a theatre play about safety. Creating a comic and a theatre play for health instruction fosters engaging storytelling, visual representation, and active participation, promoting effective communication and memorable learning experiences.
	10 m	In groups: Role assignment and decide a brief about the script of the theatre. The teacher will correct the script to include some safety tips and a call to 112.
	30 m	Ask to ChatGPT about this script and adapt it by the teacher. Do the comic (1 page) with canva and its predesigned characters. The comic will be the final script of the theatre.
	30 m	Theatre play.
Assessment	5	Observe the results of the exercises and the theatre.
	5	Be sure they know the very basics about safety like chemical products, fire and 112 number.

Conclusions and recommendations	
<ul style="list-style-type: none"> In this case, it's not necessary ChatGPT, but could be funny. 	<ul style="list-style-type: none"> Children have to decide the theme of the theatre play, but teacher has to guide them, because there are important issues to discuss.
